

BUILD AND DEVELOP THE TEAM OF RELATIONSHIP MANAGERS

IBF Standards – Relationship Management – Private Banking (Level 3)

22 FEB 2021 | 9AM - 6.30PM | 8 IBF-STTS TRAINING HOURS

Clients' trust must be earned in relationship management. The same is required of a RM team lead. He or she must possess the right skills, knowledge, attitude and experience to properly influence a team of Relationship Managers. The role of the team lead is to glue the team to the bank's required standards, business goals while balancing advisory integrity with clients. A good team leader will be able to bring out the best in the team in results, but also in values and standards that will cement a long lasting wealth building business. This course provides the skills for them to do so.

TARGET AUDIENCE

- Team leaders or cluster heads with both client management and team management functions
- Team leaders with a key team management role

LEARNING OUTCOMES

- To gain knowledge and practices to attract talent for the role of Relationship Manager
- To grow the team through identifying and hiring of new talent, and retaining top performers
- Learn to communicate and create a culture of teamwork towards common goals, achieving targets set, adopting best practices and living shared values
- Lead and guide the team to uphold and deliver best practise standards and ethical conduct in the care and management of client relationships to help clients achieve their wealth management goals

COURSE OUTLINE

Defining Team Leadership & Challenges facing a Team Leader in wealth management Our Team Leadership MODEL: Forming-Weaving-Managing-Performing

Hiring and Recruitment for Wealth Management

- What counts and what matters?
 - Key election matrix, interview questions and what to look out for
 - How to positivize your selection criteria
 - A balance view of competency and capacity in selection
